

# Claresholm Fish & Game Association

## Proposed Outdoor Shooting Range Development

- The range will be open on a daily bases, year round  
Available hours of operation are 9:00 am until sunset
- We want to provide all shooting disciplines at the range: e.g. Rifle, Pistol, Shotgun and archery
- All disciplines will have their defined area
- The longest shot at the rifle range could be 400 meters
- The maximum number of people at an event could be 250 people e.g., Summer Games
- Portable toilets will be in place for participants at the range
- Alcohol will not be served at shooting events
- There will be designated rough parking
- Potable water will be provided in the form of bottles
- There is an existing working well, which may be used as non potable and for fire protection
- The range will require a club house and storage facility for equipment
