

A Fire Restriction has been issued for M.D. of Willow Creek. This is due to current warm, dry temperatures and the forecasted weather conditions in the near future.

Allowed:

- Safe campfires are allowed in fire rings in campgrounds only.
- Gas or propane stoves/barbeques and portable propane fire pits.

Prohibited:

- No campfires (or other open fires) or charcoal briquettes are allowed in backcountry or random camping areas.
- No open fires on personal properties; only within designated situations as described above.
